

TESTIMONIALS

This was one of the nicest RV parks we stayed at on our 2 week trip. Very neat and clean and the people running the place were very friendly and helpful. We did not stay long (1 night) but it is always nice to stay in a campground that you really feel comfortable in. This place is great and the price is right! We camped here in a Motorhome.

My family stayed July 12-19 in a cabin, and it was a very peaceful and friendly place. Harold treated all the children as if they were his own. We felt like we were all family. I truly can't remember any train noises. I am not sure what the other campers were talking about. I had never stayed in a KOA before, but I can understand now they have much higher standards. The pool was great as was the atmosphere. It was nice having the internet for my laptop as well. The folks in the store were very friendly and the prices were not too bad as well. I can't tell you how much fun we had with the kids and the other campers. The softball game was a blast. I can't wait to come back for another vacation. We camped here in a Campground Cabin.

Harold + KOA staff, Thank you very much for your kind hospitality, generosity + genuine friendliness. We had a great time at your KOA - it's so beautiful - And hope we will be able to stay with you again. Thanks so much.

There is excellent highway access, but no highway noise. Downtown Lawrence is a great commercial area with local businesses and a wide selection of dining choices. KOA staff was very friendly. Wi-Fi worked perfectly. We camped here in a Travel Trailer.

Very friendly staff, very nice office/store, and clean restrooms. We stayed here on the "stay one get one free weekend", and were very satisfied with our stay. Lots to do in Lawrence as well. This park is a nice stop over off I-70/Kansas Turnpike. We camped here in a Motorhome.

This has ranked at the top of our KOA experiences this April. Lovely well kept grounds, and a couple managing here who are pleasant and helpful!

You are very blessed to have people like Harold + Michele Hays managing your KOA campgrounds. They went beyond bounds helping us.
