

Camping Recipe: Great Grilled Pizza

Great Grilled Pizza is the perfect camping recipe because of how easy it is to make – and how easy it is to make everyone happy. Before leaving home, have the gang give you a list of their favorite pizza toppings, so they can build it how they like it once they're at KOA.

Ingredients

- 1 package of English muffins
- 1 jar of pizza sauce
- 1 bag of shredded cheese
- Your favorite pizza toppings

Directions

Spread pizza sauce on English muffin halves. Sprinkle cheese on top of each slice. Add toppings as desired. Put foil down on grill and cook over warm fire or cook on an open campfire with a grill on top until cheese is golden brown. Enjoy!
