PET RULES

KEEP PETS ON A LEASH

So that we will not be forced to join the increasing number of parks which do not allow pets, we will strictly enforce the following rules:

1. Pets must be on a leash at all times. Leashes can be no longer than 6 feet when outside RVs or tent sites. Never leave pets unattended.
2. You must clean up after your pet!
3. Remember manners. Do not leave pets unattended. Excessive barking will not be tolerated or you will be asked to find other accommodations.
4. No pets allowed in the store, laundry, or playground.
5. No permanent dog kennels outside.
6. Good behavior is required. Dogs of any breed that are hostile or aggressive will be asked to leave the campground along with their owners.

Management reserves the right to refuse service, limit the length of stay and number of vehicles, and persons per site ... and/or evict any person/persons without refund. Management assumes no responsibility for any damages on our property due to theft, fire, acts of other campers, accidents, injuries, or loss of property.
