- Miniature Golf

- Showers
- Restrooms
- Laundry

- Propane
- Dumpster

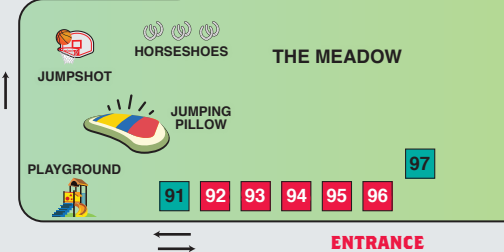

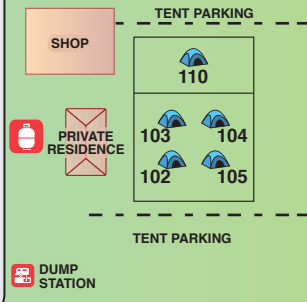

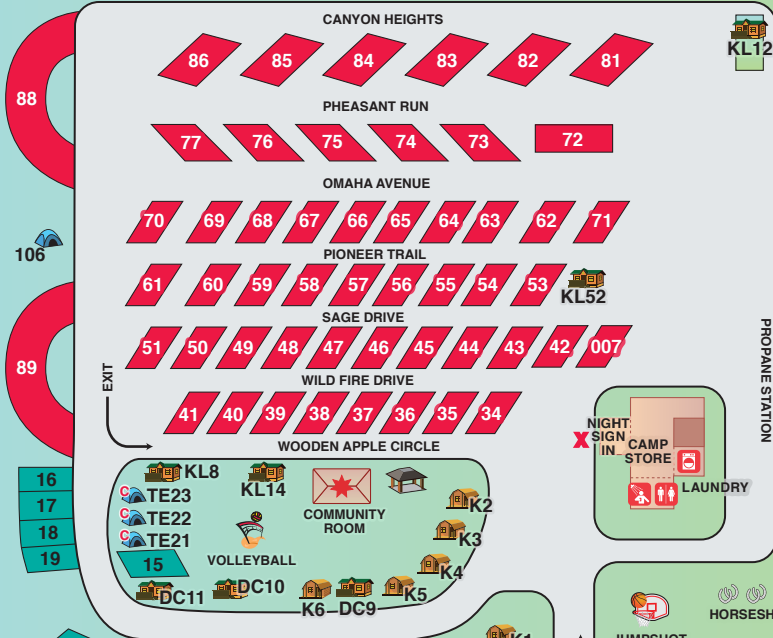

WHOA - WHAT'S UP WITH THAT AWFUL ENTRANCE?!

We have met with the Nebraska Dept. of Roads many times over the past 12 years to request a safer entry at our expense. We've had a professional engineer report done. They still will not allow it. By all means if you are in a position to help us change it, please let us know.
